PRODUCT DESCRIPTION

Angelo Lelii

Rare Angelo Lelii Mod. 12643 Arredoluce Sconces (4 Pieces), Italy, 1957.

Please note that we have 4 wall lights available, they are priced per pair(2)

Formidable set of four 18.11" large wall lights in brass and lucite shield-form reflector shades.

The shades are slightly adjustable and the light can be guided to spread onto the wall in a different manner. It's a very playful way of setting accents to your interior besides the already iconic lights.

The lucite shades show elegant lines and are in excellent condition. The brass mounts were polished, the white lacquered hardware we left untouched.

We also left the wiring as is but can rewire upon request. Gently cleaned and in very good original condition.

Three small bulbs per light (e14 with 40 watts max). Led's are recommended due to lesser heat emission.

Dimensions are 18.11" x 11.02" x 5.11"
