PRODUCT DESCRIPTION

Artemide. Pair (2) aluminum post modern wall lamps by Steve Lombardi for Artemide, circa 1980 Italy.

Original, marked pair of post-modern sconces, 100W each, Edison 26/27 screw bulb.

Great example of 1980's wall lights, showcasing some elements that were so popular in this era and remained being popular ever since.

The main element being is the pierced aluminum 'beam' guiding the eye upwards to the triangular sail that functions as a shade.

Very intricate and light construction and still in remarkably good condition. Gently cleaned and fully working.

Dimensions are 11.88" x 9.05" x 18.11" per light.
