PRODUCT DESCRIPTION

Bakalowits.

Chandelier designed by Oswald Haerdtl and manufactured by Bakalowits Vienna, circa 1950, Austria.

We can customize any drop required in our workshop free of charge, please inquire.

Majestic mid century chandelier in very good original condition, comprised of brass and crystal glass.

What we admire a lot about the design of this original piece by Austrian architect Oswald Haerdtl (besides its rarity) is the naturalistic approach with its brass branches pointing upwards like a tree and the crystals symbolizing leaves.

Very detailed in design the chandelier comes with 10 small e14 bulb sockets and casts a beautiful light.

The chandelier shows an even golden patina. We can customize the drop if requested.

Dimensions are 26.7" (diameter) x 8" (height chandelier only) x 18" total drop.
