PRODUCT DESCRIPTION

Bamboo table lamps. Nice mid-century carved bamboo table lights, Italy around 1950.

One-of-a kind carved mid century modern table lamps.

Judging from shape and material these were produced somewhere around the 1950 and are fully made of bamboo, wood and brass.

There are no visible damages or cracks, the brass shows some rich and lively patina.

It features one e26/27 bulb per lamp. Priced as a pair.

There is no shade coming with these pieces; we can however help with acquiring one if requested.
