PRODUCT DESCRIPTION

Barovier Toso.

Very large vintage 42" flush mount from Barovier Toso, Italy circa 1950-1960.

Barovier Toso flush mount or ceiling fixture from glass and brass.

Wonderful handmade petal glass pieces circulating around a large dome of glass. It casts a wonderful light.

The hardware is from brass and iron, lacquered partially.

Very high quality piece which is equipped with 9 bulb sockets in total (e27 max 75W). It may be used with Led's and is dimmable depending on the Led's used.

We do also recommend LEDs due to lesser heat emission and therefore lesser cracking danger for the vintage glass.

The condition is good, the glass shows no cracks or chips. We replaced the main power cord. This light will work with 110/220V.

Dimensions: Diameter is 42", overall drop 11".
