PRODUCT DESCRIPTION

Carlo Giorgi

Large sconces by Carlo Giorgi for Bottega Gadda , Italy, 1970.

Rare wall lamps featuring some handmade branches with leaves all made from brass.

Very nicely executed. The lights have been cleaned.

They take one large e27 bulb (Led compatible) and were newly rewired.

It's noteworthy that unfortunately some of the leaves went missing during the decades of use of these lamps.

It does not diminish the overall charm and elegance but certainly is not perfect.

Dimensions are 23.62" (H) x 18.11" (W) x 15" (D).
