Cocktail Table One of Two Beautiful Entwined Globe Table Brass Glass, France, 1970

Nice pair of french 31 inch (diameter) brass tables with entwined bended tubes and floating glass top. The brass plating shows some rub-off here and there, the original glass table tops are present but should be replaced due to scratches (costs are around \$150 per piece). We can take care of this which will take 1-2 weeks to order. We have a pair of tables available, sold and priced individually.
