## **PRODUCT DESCRIPTION**

Fabricius and Kastholm 3x White High Back Bird Desk Chair Swivel Base FK 6725, 1964 (seat height 19") Three pieces available, priced per chair.

Beautiful set of swiveling high back desk chairs on casters and a tripod base of polished cast stainless steel. Early Kil model from white dyed leather in good condition. The leather is in original condition with minor signs of wear, no holes, little scratching and rub-off. We have treated the leather 2 times with a special leather conditioner to preserve the color and smoothness for years to come. With a seat height of 19" it's the higher executive version and can be perfectly used for a desk. The oblique lines of the design especially in the front seat section, do not only shape a beautiful and iconic chair but also serve the functional aspect for a desk chair to fit under a table.
