Rectangular Mirror by measuring 31.5"x 23". Great mirror floating in a frame of thick strips of crystal with chrome-plated metal support clips.

Iconic mirror by the glass artist Max Ingrand for Fontana Arte, deriving from an estate in Milan.

As every piece by Max Ingrand the delicacy of formal composition and idea of glass and light are stressed radically.

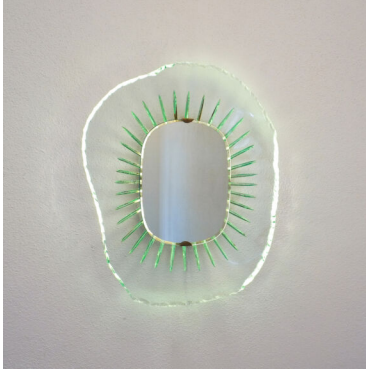

A beautiful decorative piece by one of the most inventive masters of light/design. The condition is very good with no damages, chipping to the frame.

The original mirror shows staining, which is a normal aging process. The mirror itself can easily be replaced with a new one. We can take care of that of course, please inquire.
