PRODUCT DESCRIPTION

Illuminated Dining Table by Johanna Grawunder. Very rare dining table (Wicked 64) by Johanna Grawunder for Post-Design Milan, 2001. New York based designer/architect and former partner of Ettore Sottsass, Johanna Grawunder, designed this piece for her Lowrider collection very much in the spirit of the Italian Avant Garde. It's fully coated with rubber with a leather-ish smooth touch.

The glass table top can be illuminated which casts a fairly mystical glow to the surrounding.

Excellent condition, some scratches to the glass tabletop.
