PRODUCT DESCRIPTION

Iron Rust. Three rare enameled iron shades in a shiny ceramic glaze style look, circa 1950, priced as a set.

Nice set of 3 pierced iron shades that look like glazed ceramics but are in fact from metal with a rust iron glaze.

This gives them a very smooth surface like a vase but a yet thin and lightweight functional advantage for a light-shade.

They are well preserved and in very good condition and perfectly suited for over a kitchen counter or island.

The light shades are in original condition with no damages, fully working and cleaned gently.

We facilitated new sockets and cables. Each takes one large e26/27 bulbs with 75W max, dimmable, Led's are possible.

Dimensions are 8.26" (D) x 7.87" (H1) x 35" (H overall) The height is determined by the cables only and can be adjusted easily.
