PRODUCT DESCRIPTION

Kalmar
Perfectly preserved vintage J.T Kalmar semi-flush mount or chandelier, Austria, circa 1970.
This piece is consisting of a single brass dish with a glass ring circling around it.
Three bulbs with up to 300W in total flood the ceiling with light and reflect it back covering the environment evenly in a wonderful light, whereas the glass is serving as a glowing corona.
The lamp is in very well-preserved shape, with no damages and a beautiful golden patina.
Perfectly suited for hanging in a hallway or larger rooms. It's equipped with three bulbs e26/27 (100W per bulb max). It has been tested and will be working in the US as well as in Europe.
Provenance: it derives from an estate in Vienna.
Dimensions are 23.6" in diameter, 6.3" in height (shade only). Overall drop is 15.7". The height can be customized/shortened easily, we can do it here in our workshop if required.
