PRODUCT DESCRIPTION

Kinkeldey .

Pair of Kinkeldey satin ball chandeliers, Germany circa 1970-1980.

Two glass chandeliers by Kinkeldey. Great set of refurbished small chandeliers with a multitude of smooth translucent handblown glass balls with golden brass knobs.

The fixture is in good condition (fully refurbished) and holds a single bulb with 100W max.

It has been newly rewired, disassembled and put together again. The golden knobs are different in color and condition which is due to age and use over the years; they have been re-polished however.

The glasses show no damages. The height of the brass stem can be altered according to our clients requirements

Dimensions are 14.17" x 10.23" (height lamp only) 35.5" overall drop as pictured.

We have a larger version of this light available also, please have a look at our storefront or contact us.
