## **PRODUCT DESCRIPTION**

Maison Bagues. Very rare set of 3 nesting tables, France.

The base is made from bamboo brass typical for maison bagues, whereas the glass top has got the original silver and gold reflecting mirror still intact.

It's a rare technique, used by Max Ingrand f.e.

The tops are still in good condition with little rub-off on the backside here and there. One has got a minimal chip at one corner, considering the age of 80 years the glass tops are in good condition.

The brass has got its original patina, the bases are in stable and good condition. Will sell as a set only.
