PRODUCT DESCRIPTION

Mario Bellini Flush Mount Lamp Area 50 by Artemide, Italy, 1976

Originally conceived as a table lamp, we altered this rare ceramic lamp so it can be attached to the ceiling. It has a beautiful rough-edged ceramic socket-like base and the trade-mark flying piece of resin-paper shade as with the other models that we currently offer.

Very intelligently designed light ceramic lamp in good vintage condition.

18.5" x 18.5" x 18.9"
