Max Ingrand Fontana Arte Glass Sconces 2093 Wall Lamps, Italy 1960

These very popular wall lights have been produced in the 1960 and are in very good original condition with slightly green-ish thick glass and nickeled hardware. They derive from an estate in Torino, Italy.

The iconic design incorporating the light-source with a double lens cut panels of thick profiled polished glass sandwich with etched glass centers was also used in designs for hanging lamps and chandeliers.

The nickel-plated brass mounts, we can also equip with covers for the junction box. The light have been newly rewired and refurbished, excellent condition. We have a pair available.
