Fontana Arte Model 2014 Rectangular Floating Glass Mirrors, 1960- Set of 2 identical blue mirrors, priced individually, by Fontana Arte. Measuring 31.5" x 23" each.

Iconic mirrors by the glass artist Max Ingrand for Fontana Arte. Great mirror floating in a frame of thick strips of light blue crystal glass with chrome-plated metal support clips.

As every piece by Max Ingrand the delicacy of formal composition and idea of glass and light are stressed radically. A beautiful decorative piece by one of the most inventive masters of glass design.

The condition is very good with no damages; one horizontal glass slab shows minimal chips at the back of the glass frame. One original mirror shows very little staining, the other one some clouding, they are overall in good condition and ready to use. The mirrors can easily be replaced however if that is requested.
