## PRODUCT DESCRIPTION

Modular Brass and Glass Flush Mounts.

Set of multiple brass and glass flush mounts for modular installation, priced per piece (blank or opal glass-sphere) from 1970's.

They will also work as wall mounted lights.

We have 40 pieces with opal glass lights and 12 with blind/blank brass tiles left, please note that we grant considerable discounts for multiple purchases, since this concept for this lighting is working only with several pieces.

The modular pieces in general are consisting from hexagonal brass tiles featuring two different elements (opal ball lights on base and hexagonal brass tiles) that can be combined in various ways.

Dimensions are 7.28" x 7.28" x 7.48" (height); 5.51" diameter for the opal glass balls only.
