PRODUCT DESCRIPTION

Palwa Crystal glass gold-plated brass chandelier refurbished lamp, circa 1965. This lamp was handcrafted and executed with great attention to detail, consisting of hundreds of gilded brass rings encrusted with crystal glass varying in size. It holds six bulbs, is in excellent condition and has been professionally refurbished and newly rewired (unlike most of the other Palwa lights available on 1stdibs). We have larger versions of this fixture available as well as wall lamps and flush mounts. Please note that we can provide you with a longer chain or even switch to a stem, according to your requirements. Different canopies are available also. Measurements are 12.2"x 21.65" at the moment.
