PRODUCT DESCRIPTION

Rainer Daumiller.

Pair of pine wood armchairs by the Danish architect Rainer Daumiller, produced by Hirtshals Sawmill during the 1970s.

Sold as a set of 2 pieces, we have another set of six Daumiller chairs available that can be combined with these (see pictures) Solid wooden pine chairs by architect Rainer Daumiller with smooth rounded woodwork and sculpted seats.

Elegant yet rustic and very comfortable to sit in, these chairs have a deep connection to the material used and further express the design approach through the curved lines and carved crafting.

They show signs of wear and a beautiful patina which adds to the character of the wood.

Sold as a set of 2 pieces, we have another 6 available that were originally used around the table.
