Renato Mandurini .

Unusual original dining table by Renato Mandurini designed and produced 1980  
Dimensions are 77.16" x 77.16" x 30.3" (height)

This extraordinary dining table was designed by Renato Mandurini in 1980.

It's measurements are impressive and it can easily serve 6-10 persons.

The table is supported by a blue steel frame with solid oak accents that also prove to be of constructive value. The table can therefore be fully disassembled and easily reassembled. The table top is of oak veneer on plywood and can also be split in 3 segments.

The condition is good with wear to the table top and around the edges but no major blemishes. The table top also shows no deep scratches. The table is very well kept and in original condition.

77.16" x 77.16" x 30.3" (height)

It will be disassembled and crated for transportation (worldwide)
