PRODUCT DESCRIPTION

Riva 1920 Swedish stump wood chairs stools, Italy, circa 1990.

Vintage stump chairs, sold as a set of four Riva's stump chairs are a unique and eye-catching addition to any home or outdoor space.

These chairs are made from solid wood cedar trunks, which are carefully crafted into elegant and functional seating.

Each stump chair is a one-of-a-kind piece, with its own distinct character and natural markings.

The use of solid wood trunks ensures that the chairs are sturdy and durable, able to withstand years of use and exposure to the elements.

One of the most appealing aspects of these chairs is their natural aesthetic.

The wood's organic texture and grain patterns add warmth and texture to any space, and the natural tones of the wood can complement a wide range of decor styles.

The condition is good with normal use and cracking that is part of the aesthetics.

Each chair weighs around 20kg.

Dimensions are: 15" x 15" x 26.7" (height) per stool.
