Well preserved 1970's chandelier, Italy circa 1930.

Dimensions are 26.4" x 47" (total drop) Elegant chandelier in very good original vintage condition.

It's comprised of a bunch of hollow and slender glass tubes radiating around a chrome structure and a single large bulb (e27, 100W max, Led's are possible).

We have used a silver tipped bulb for the photos which is spreading a very nice and even light.

All in all it's a very thoughtful design and quality light.
