Very rare set of eight large Sergio Mazza wall lights made from brass, nickel and glass.

It's such an astonishing find in itself and they look even more fantastic in person. We have refurbished them in our workshop and also rewired them freshly.

The presence of these lights is just mind-blowing. Especially hung as a pair or a set.

They show the well-known lighting quality of Tau or Delta lamps by Mazza but can be adjusted in height and angle.

Each one takes three bulbs with e26/27 for 110/220V, max wattage 60W, Led's are possible.

Dimensions are 51.2" x 14.56" x 19.5"
