PRODUCT DESCRIPTION

Beautiful pendant light with multiple lacquered trumpet-shaped aluminum hardware and opal spheres hanging in waterfall formation, spiraling down the ceiling.

We can change the drop pf the cables easily according to your specifications and requirements.

It's in good to very good condition, some little wear to the original lacquer, which we left as is.

It's been rewired with black textile cord cable. Each of the five elements has got one bulb with 60W max e14 (EU). We do recommend Led's however due to heat emission of classical Edison bulbs.
