PRODUCT DESCRIPTION

Stilnovo.

Chandelier from satinized glass and brass Italy, mid century.

25" chandelier with 6 tubular shades from opaline form glass.

It's a beautiful piece that has the enchanting lightness of real Stilnovo design from the early 1950s.

The light was handcrafted from brass tubes, some of which lacquered black, orbiting around a small brass globe, it's in its original state.

The glass tubes show no cracks or severe chips around the fringes. Overall it's in good vintage condition, ready to being used.

We cleaned the lamp and gave it a new main power cord.

This lamp holds 6 bulbs with 40W max (Edison 14 socket, LED recommended due to heat development).

Dimensions are: 25" (diameter) 11" (height chandelier only) 35" (height with the stem)

The overall height can be easily customized with a longer rod in our workshop (free of charge).
