## PRODUCT DESCRIPTION

Stilnovo.

Chandelier from satinized glass and brass Italy, mid-century.

21" chandelier with 12 globe shades from opaline form glass.

It's a beautiful piece that has the enchanting lightness of Stilnovo design from the early 1950s.

The light was handcrafted from brass tubes, and black lacquered metal (aluminum and brass), it's in its original state.

The glass pieces show no cracks or severe chips around the fringes. Overall it's in good vintage condition, ready to being used.

We cleaned the lamp and gave it a new main power cord. This lamp holds 12 bulbs with 40W max (Edison 14 socket, LED recommended due to heat development).

Dimensions are: 21" (diameter) 27.56" (height chandelier only) 37" (height with the stem)

The overall height can be easily customized with a longer rod in our workshop (free of charge).

Provenance: derives from an estate in Rome.
