PRODUCT DESCRIPTION

Stilnovo.

Rare set of 2 Stilnovo lights, newly rewired, Italy circa 1960, priced and sold per lamp/item.

Nice set of 2 solide Perspex shades with bronzed brass fittings. The bulbs are deeply carved into the solide block of Lucite. Which emanates a very subtle yet efficient light quality.

They are well preserved and in very good condition and perfectly suited for over a kitchen counter or island.

The light shades are in original condition with no damages, fully working and cleaned gently.

We facilitated new sockets and cables. Each takes one e14 bulb with 40W max, dimmable, Led's are possible and recommended as heat damages the Lucite over time.

The lights will come with new brass canopies. Dimensions are 3.17" (D) x 39" (H overall), the height is determined by the cables only and can be adjusted easily.
