PRODUCT DESCRIPTION

Stilnovo chandelier with orbiting light bulbs, Italy, midcentury

Very rare 24" ceiling lamp that we all fell ultimately in love with. This particular piece comes in brass which is partly nickeled. 6 lights orbiting around a sun-like center.

It's in good original condition, some parts of the nickel were rubbed off over time, we left the patina as is and replaced the main cable for safety.

We will include a set of 6 gold-tipped bulbs we used for the presentation are part of this offer (we have them coming for 110 or 220V) ;

The original canopy is present. It takes 6x e14 bulbs, Led's are possible and is dimmable.

Dimensions are: 23.68" (diameter) x 15.74" (height chandelier only)/ 40" (total height).
