PRODUCT DESCRIPTION

Stilnovo chandelier with orbiting light bulbs, Italy, midcentury

Very rare 24" ceiling lamp that we all fell ultimately in love with.

It hardly pops up these days in retail or at auction and this particular piece comes in pure brass with 6 lights orbiting around a sun-like center.

It's in very good original condition with a replaced main cable for safety, the gold tipped bulbs we used for the presentation are part of this offer (we have them coming for 110 or 220V) ;

The original canopy is present.

It takes 6x e14 bulbs, Led's are possible and is dimmable.

Dimensions are: 23.68" (diameter) x 15.74" (height chandelier only)/ 36" (total height).
