Stilnovo Style.

28" brass chandelier with orbiting glass spheres, Italy .

Very nice 28" ceiling lamp that we all fell ultimately in love with.

It derives from a contemporary production and features multiple brass tubes each with 2 glass spheres in different tones of white and yellow glass.

13 lights are gravitating around a brass stem.

It's in very good original condition, working with g9 halogen bulbs; we used Led's which are perfect.

It will will work with 110 or 220V.

Dimensions are: 28" (diameter) x 35.5" (total drop)
