PRODUCT DESCRIPTION

Venini Elegant Murano glass flush mounts or wall-light featuring seven crystal clear glass "triete" prisms each attached to a golden brass structure.

The lights holds 2 bulbs per fixture, the condition is excellent.

We have an identical pair available, sold per piece. Dimensions are 11" x 11" x 4".

The Murano flush mount with 'triete' crystals is a stunning piece of lighting that adds elegance and luxury to any room.

The flush mount is made on the island of Murano, Italy, known for its centuries-old tradition of glassmaking.

The Triedri crystals used in this flush mount are hand-cut and hand-placed to create a unique and intricate design.

The light that shines through the crystals creates a mesmerizing display of colors and reflections that will add a touch of glamour to any space.

The flush mount is perfect for a living room, dining room, or even a bedroom.

This piece is a perfect blend of traditional craftsmanship and modern design, making it a timeless piece that will be appreciated for years to come.
