## **PRODUCT DESCRIPTION**

White Marble Top Side Table With Brass Base, France, circa 1950.

Side table in original vintage mid century condition. The neoclassical brass base shows some playful motives deriving more from floral art-nouveau inspiration.

It's quite an eclectic piece with a girded ornate frame around the marble top.

The marble stone top shows no damage and is in good condition with little wear. The metal work shows minimal wear and patina.

Overall it's a nice little side table, ready to use and in fine condition.

Dimensions are 16.14" x 20" (height).
