PRODUCT DESCRIPTION

Wiener Werkstätten

Rare 'Castell' leather sofa group by Hans Hopfer, Wiener Werkstätte, Austria, circa 1972.

Well preserved sofa all in original vintage, super preserved condition.

Normally these are destined to have been rather worn out throughout the last 50 years, whereas this ensemble hasn't.

The light brown leather is still in wonderful, smooth condition with no major blemishes, a beautiful patina and minimal partial staining.

It can be combined in various positions and constellations, be it as large single sofa with large chair and ottoman or as an ensemble.

It's wrapped in leather all around. The long 'sofa' with the back cushions however should be placed against the wall as the middle part has got 3 loose cushions.

It's marked at the reverse of the upholstery (Wiener Werkstätten).

Dimensions are: Sofa 138.6" (width) x 35.4" (depth) x 29.5" (height)/14.96" seat height

As a large ensemble 138.6" (width) x 80" (depth) x 29.5" (height)/14.96" seat height
